

## **ABOUT OUR INCOME TAX**

Effective January 1, 2005 the City of Hubbard tax rate went from 1% to 1.5%. Credit for tax paid to another city had been and remains at 1%.

The City of Hubbard income tax was first levied August 1, 1964 at the rate of ½ %. In 1974 Hubbard City Council Ordinance #39-74 was adopted. The passage of Ordinance #39-74 resulted in an increase in the City income tax rate from its initial ½% to 1%.

In 1991, the tax office serviced 2,500 different active accounts. Since that time, the community has grown, and today over 3,500 individual active income tax accounts are administered by the Income Tax Office. Likewise, income tax collections have continued to increase from \$1,070,000 in 1998 to \$2,187,000 in 2015. The revenue generated by the City income tax is vital to the operations of various departments, which include the City's General Fund, Park and Recreation Fund, Capital Improvement Fund, Street Department, and 6/0 Bond Retirement Fund.

The tax office is located in the Municipal Building and is open Monday through Friday 8:00 am to 4:00 pm.
